18*	Thur	Last Day for Teachers		
		*Assumes 5 "snow days." If all are not needed, the school year will be shortened by the number of unused snow days. If more than 5 snow days are needed, February 16 (Presidents' Day) may become a school day. Because it is a state-mandated holiday, the Presidents Day make-up will require a state waiver. Schools must provide 180 days of instruction.	185	195
